## Best Pizza DION'S PIZZA

15 LOCATIONS, DIONS.COM

**F**un fact: Dion's originally served pizza as a side addition to its menu. Funner fact: Dion's new Ranch Dressing went viral earlier this year, before it even officially launched! This kind of customer loyalty has led the local chain to expand to 23 locations in three states since it's opening in 1978.

### BEST OF THE REST:
